

Dear [Senator/Representative last name],

I wanted to take a moment to reach out to you prior to the start of the legislative session. As one of your constituents in [DISTRICT NUMBER], I am looking forward to seeing the work you do for our community at the Capitol this year.

One issue that I am very passionate about is the credit union movement and the financial lives of lowans. As a member of [CREDIT UNION], I see the value of credit unions first-hand every day. [BRIEF SENTENCE ON WHY YOU CARE ABOUT CREDIT UNIONS].

This year, I am asking for your support in passing HF 131, the credit union code update bill, that will make necessary changes to the Iowa Credit Union Act. These changes will enable my credit union to continue serving our members the best we can.

I hope you will support HF 131 and other bills that allow credit unions to continue improving the financial lives of lowans. If you have any questions now or during the legislative session, please do not hesitate to reach out to me. I am happy to talk more about the importance of credit unions in our community!

Best,
